

# Why 21 days of *consecration?*

Consecration is the act of setting oneself apart for God's purposes, aligning with His holiness – a sacred dedication to His will and ways. In the Bible, consecration is often a precursor to revival; it's about preparing the heart, making it fertile ground for spiritual renewal and awakening.

In Joshua 3:5, Joshua tells the people, "Consecrate yourselves, for tomorrow the Lord will do amazing things among you."

This verse shows that consecration isn't just about personal holiness, but also about anticipating and facilitating God's mighty works. As we begin this new year, we pause to purposefully consecrate ourselves to God. We are doing this asking God to move in our hearts, preparing for a greater move of His Spirit. Join us as we spend the first 21 days of 2024 in holy anticipation of God's power and presence.

**CONSECRATE  
YOURSELVES,  
THEREFORE, AND  
BE HOLY, FOR I  
AM THE LORD  
YOUR GOD.
