**Family is fundamental, however, an excessive focus can lead to unhealthy distortion and unhealthy dependence. This can eventually create disruption that will overshadow our personal relationship with Jesus. Family can become the object of worship and an idol that we lift up.**

**The Gospel redefines our concept of family emphasizing our place in God's family. It's a no-brainer, we are to love, care for, and provide for our families, but the best way to do any of that is to show them Jesus and to love and choose Christ even over them.**

**But if anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever.**
